Dear Parents and Guardians,

Each campus of the City of Pembroke Pines Charter Schools has a complete and detailed Safety Plan that has been reviewed and approved by the City of Pembroke Pines Police Department and the Broward County Schools Safety Department. The plan aligns with guidelines provided by the Department of Homeland Security.

The School Safety Plan is a uniform document that is used throughout the school district. Certain details of this plan are not permitted to be released due to its sensitive nature. School personnel have been trained in emergency procedures. These procedures are practiced at least monthly with staff and students. The procedures are reviewed and evaluated for improvement by the school after each drill.

Schools initiate lockdown procedures in conjunction with local law enforcement officials. Please be aware that if the school is in a lockdown, it does not necessarily mean that an incident has occurred on campus. Many times, an incident in the surrounding community necessitates a school lockdown. Schools are aware that parents are anxious about the safety of their children and want to know what is happening as quickly as possible. We will provide this information as quickly as we can in cooperation with law enforcement.

During a school lockdown, the safety and security of students and staff are of paramount importance. To assist the school during an emergency, and to avoid jeopardizing the safety of our students and staff, we ask that parents adhere to the following guidelines:

- Be patient.
- Tune in to local media for official information and instructions.
- Defer from calling the school's front office for information. Call the Pembroke Pines Police Department at (954) 431-2200 for official information.
- Under NO circumstance should parents attempt to enter the campus or remove their child from the school prior to an all clear.
- Comply with directives given by law enforcement officers or school personnel

Sincerely,

Dr. Lisa Libidinsky
Principal
